# STORY BEHIND KNOX WOOD

We take pride in comparing our furniture to the most secure place in the world Fort Knox. Fort Knox is ranked as the most trusted & secured place in the world, home to America's Monetary Assets, Fort Knox is renowned as most secured place on the Earth. It is said that around 5000 Tons of gold is stored here (that's almost 2% of all gold on Earth).

**Knox Wood** is designed keeping in mind safety and long life that is required in Indian weather conditions. We have set the bar high when it comes to designs, selection of raw material, hardware and quality standards. Our vision is to be seen as a "company that Builds furniture for people who love their homes".

An outdoor patio area featuring a large L-shaped wooden sofa with dark cushions and patterned throw pillows. In front of the sofa are two wooden coffee tables, one with a vase of flowers and a cup, and another with a bowl of fruit. The patio is paved with irregular stone tiles. The background shows a wall, potted plants, and a field of tall grass under a warm, golden light.
